

2000 DELAWARE 2000 Non-Resident Individual Income Tax Return

January 2001

Dear Taxpayer:

This booklet contains your 2000 State of Delaware individual income tax forms and instructions. Some changes have been made to the Delaware State income tax code and to the treatment of specific items. While these are listed below, please read the instructions carefully to determine how they apply to you.

- This booklet reflects many changes in Delaware taxes relative to last year. Some of these changes – like reductions in all tax rates and an increase in the personal credit to \$110 – benefit each and every filer. You should take note of other changes in case they may affect you. Among these are: an increase in the standard deduction amount for various filing statuses; a new charitable contribution check-off for the Delaware Diabetes Education Fund; and the Land and Historic Resource Tax Credit effective for tax year 2000. The increase in the standard deduction and personal credit amount also results in an increase in the filing threshold. If your income is below the filing threshold, you are not required to file a return. (However, if you have had taxes withheld or paid estimated taxes, you will want to file in order to receive a refund of those taxes.)
- For taxpayers age 60 and over, the deduction for pensions and eligible retirement income has been increased to \$12,500. Also, “capital gains” are included in the definition of eligible retirement income.
- The threshold amount for filing estimated taxes has increased from \$100 to \$400.
- **On-line filing:** More than 90% of all taxpayers will be able to file on-line. **Filing on-line is free.** Access our website at www.state.de.us/revenue and click on our on-line filing icon.

If you file on-line, we will:

- Issue your refund within 7 days, if additional documentation is not required.
- Accept your tax liability payments (up to \$1,000) by credit card.
- Send e-mail verification that your return was received.

In addition, when you file your return on-line, you are guaranteed there will be no delays resulting from mathematical errors.

For extra fast refunds:

1. File your Delaware taxes on-line via www.state.de.us/revenue – the Division of Revenue’s website.
2. Be sure that your return is correct. Double-check your math and be sure all schedules are attached to your return and that it is signed; or,
3. File electronically through your tax advisor or preparer.

Sincerely,

Patrick T. Carter
Acting Director of Revenue

NON-RESIDENT INDIVIDUAL INCOME TAX RETURN

Who Must File

- Non-Residents** – File a tax return if you have any gross income during the tax year from sources in Delaware.
- Part-Year Residents** must file a Delaware tax return if:
 - While a resident of Delaware, you had income from any sources, **or**
 - As a non-resident of Delaware, you had income from a Delaware source.

Part-Year Residents may elect to file either a resident or non-resident return. You may wish to prepare both a resident and non-resident return. File only the return which is more advantageous for you.

Part-Year Residents electing to file a resident return – This option may be advantageous if, during the period of non-residency, you had no income from sources in other states and/or your only income was from Delaware. Report all income from Delaware and from all other sources on Form 200-01.

Part-Year Residents electing to file a non-resident return – This option may be advantageous if, during the period of non-residency, you had any income from other states or sources outside of Delaware. Report all income from your Federal return in Column 1 and all Delaware Source income in Column 2 of Form 200-02. To determine your taxable income for Delaware purposes, your modified Delaware source income will be divided by your Federal modified income to compute a proration decimal. Your tax liability and personal credits will then be prorated accordingly.

Note: Volunteer Firefighter and Child Care Credits can not be taken on the non-resident return (Form 200-02).

NOTE: Individuals who have been residents of Delaware for the entire year may not use the non-resident Form 200-02 NR. You must file on Form 200-01 or 200-03 EZ.

- Non-Resident Employees** – File a non-resident return to receive a refund of erroneously withheld Delaware income taxes if you did not live or work in the State at any time during the taxable year. You must attach to your Delaware return certification from your employer that:
 - You did not work in Delaware during any part of the taxable year,
 - Your employer erroneously withheld Delaware income taxes, and

- Your employer has not and will not file a Claim for Refund of such erroneous withholdings.

Who is a Resident

A resident is an individual who either:

- Is domiciled in this State for any part of the taxable year; or
- Maintains a place of abode in this State and spends more than 183 days of the taxable year in this State.

A domicile is the place an individual intends to be his permanent home; a place to which he intends to return whenever he may be absent. An individual can have only one domicile. A domicile, once established, continues until the individual moves to a new location and exhibits a bona fide intention of making it his or her permanent home.

Full-Time Students with a legal residence in another state remain legal residents of that state unless they exhibit intentions to make Delaware their permanent residence.

NOTE*: **Foreign Travelers** – If you were out of the United States for at least 495 days in the last 18 consecutive months but (at the same time) you maintained a permanent place of abode in this State at which you, your spouse, your children or your parents were present for more than 45 days, you are considered a resident of this State.

*The above NOTE does not apply to members of the Armed Forces, employees of the United States, its agencies, or instrumentalities.

Minors – Disabled – Deceased

If an individual is unable to file a return because he is a minor or is disabled, the return shall be filed by his authorized agent, guardian, fiduciary or the person charged with the care of the person or property of such individual. See federal instructions for authorized signature. If an individual is deceased, his final return shall be filed by his executor, administrator or other person responsible for the property of the decedent.

When to File

Individual income tax returns are due on or before April 30, 2001, for all taxpayers filing on a calendar year basis. All others must file by the thirtieth day of the fourth month following the close of their taxable year.

Extension of Time to File a Return

CAUTION:

THERE IS NO EXTENSION OF TIME FOR PAYMENT OF TAX

An extension of time to file your tax return is granted when the Application for Automatic Extension (**Form 1027**) includes a payment for the amount of any tax reasonably estimated to be due.

Interest accrues at the rate of 1% per month, or fraction of a month, on any unpaid tax from the original due date of the return until paid.

An application for extension is not required if the balance due on the return will be zero and an extension has been filed with the Internal Revenue Service.

If an extension is not filed and if there is

a balance due when the return is filed, a penalty will be charged for filing the return late. If you have doubt as to whether the final return will show a balance due, file Form 1027 for an extension.

To extend your due date for submitting your completed income tax return (from April 30, 2001 to August 15, 2001), submit the following to the Division of Revenue no later than April 30, 2001:

1. Your payment of any balance of tax liability estimated to be due for the year **2000 AND**
2. The completed copy of Form 1027.

A copy of Form 1027 is available from the Division of Revenue or from our website at www.state.de.us/revenue.

Blanket requests for extensions will not be granted. You must submit a separate application for each return.

To extend your due date **beyond August 15, 2001**, before the expiration of the extension granted on Form 1027, file a photocopy of your Federal Form 2688, Extension to File, with the Delaware Division of Revenue. The approved federal extension will extend the due date of your Delaware return to the same date as your federal extension due date and must be attached to your Delaware return.

Amended Returns

If any changes made to your federal return affect your state income tax liability, you are required to report the change to the Delaware Division of Revenue within ninety (90) days after the final determination of such a change and indicate your agreement with the determination or the grounds of your disagreement. Use Form 200-02-X to change an income tax return you have already filed, and attach a copy of any federal adjustments.

Requirement to File Estimated Taxes

Every person who is either a resident of Delaware or has income from Delaware sources may be required to file quarterly

Declarations of Estimated Tax to the Delaware Division of Revenue, **if the Delaware tax liability less payments and credits can reasonably be expected to exceed \$400.** (See worksheet below).

You may be required to make Estimated payments, **if you receive a lump sum distribution or a large bonus at the end of the year.**

Also, you may be required to make Estimated payments if while you are a Delaware resident:

- Your employer does not withhold Delaware tax, or
- You work in another state whose tax withholding rate is lower than that of Delaware's.

The estimated tax booklet, containing the worksheet for computing your estimated tax liability and the payment vouchers, will be sent after January 15, 2001. If you did not file estimated taxes for 2000 and need estimated tax coupons, call the Estimated Tax Forms voice mailbox at (302) 577-8588 to order them. Or call toll free 1-800-292-7826 (Delaware only).

To estimate your 2001 tax liability prior to receiving the booklet, complete a 2000 return using estimated income and deduction amounts for 2001.

When to Make Your Estimated Tax Payment

For estimated tax purposes, the year is divided into four payment periods. Each period has a specific payment due date as indicated below:

For the Period:	The payment due date is:
1/1/01 through 3/31/01	April 30, 2001
4/1/01 through 5/31/01	June 15, 2001
6/1/01 through 8/31/01	September 17, 2001
9/1/01 through 12/31/01	January 15, 2002

Estimated Tax Penalty

You may owe this penalty if the amount you owe (Line 52) is more than 10% of the tax shown on your return (Line 47, Balance).

Exceptions to the Penalty

You will not owe the penalty if your 1999 tax return was for a period of 12 full months AND EITHER of the following applies:

1. You had no tax liability for 1999, or
2. The total of Line 46 (Total Non-Refundable Credits) and Line 51 (Total Refundable Credits) on your 2000 return equals at least the tax liability shown on your 1999 return and your

2. Enter the amount of estimated Delaware withholding taxes and other credits. - _____ 2

estimated tax payments for 2000 were made on time.

- For Special Rules regarding Farmers and Fisherman and for waivers of the penalty, please see the separate Instructions for Form DE2210.

Members of Armed Forces

While you are stationed in Delaware:

- Your military pay is subject to Delaware state income tax **only if Delaware is your state of legal residence.**
- Other income earned in Delaware, (that is, income other than military salary), is subject to income tax in Delaware AND in your state of legal residence, if it is other than Delaware.
- You do NOT need to file a Delaware return if:
 - You are receiving only military active duty income, AND
 - You are a legal resident of another state.

Members of the Armed Forces			
Are you a Legal Resident of Delaware?	Delaware Filing Required		
	Military Active Duty Income	Other Income Earned in DE	Other Income Earned in Other States
YES	YES*	YES*	YES*
NO	NO	YES	NO

*Whether you are stationed in Delaware or not.

Your state of legal residence is the same as it was when you entered the Armed Forces unless you voluntarily changed it while in the Armed Forces. For example, if you were a legal resident of Delaware when you entered the Armed Forces, you remain a legal resident of Delaware for Delaware state income tax purposes unless you voluntarily abandoned your Delaware residency and established a new legal domicile in another state.

If you change your legal residence, in the year you change, you are a part-year resident of both states. A change in legal residence is documented by filing DD Form 2058 and DD Form 2058-1 with your military personnel office.

All income of a non-military spouse is taxed in the state where he or she resides. The year the spouse moves into or out of Delaware, he or she is a part-year resident of Delaware. Using these definitions, when one spouse is a resident of Delaware and the other spouse is a part-year/non-resident, separate returns should be prepared splitting income, personal credits, and deductions as though SEPARATE FEDERAL RETURNS had been filed.

The following examples illustrate this:

- Airman John Green, who is a legal resident of Delaware (domiciled in

Delaware), was ordered to duty in, and moved his family to, New York. The family has no income other than his military pay. Airman Green will file federal and Delaware tax returns only. A New York state tax return is not required.

- Sergeant Paul Smith, whose domicile is Ohio and to which he is liable for income taxes, has been on active duty in Delaware for 12 months. Sergeant Smith is married, and both he and his wife have non-military income from Delaware. Sergeant Smith will file as a non-resident of Delaware (using Form 200-02 NR) reporting all his income and taking his share of personal credits and deductions as though the Smiths had filed separate federal returns. (Sergeant Smith should contact Ohio for his filing requirements for Ohio.) Mrs. Smith would have the option to file as a resident or a non-resident if she moved into or out of Delaware during the year, and report her income and take her share of personal credits and deductions as though separate federal returns had been filed.

Penalties and Interest

- Interest – Underpayment or late payment**

The Delaware Code provides that interest on any underpayment or late payment of income taxes due shall accrue at the rate of 1% per month, from the date prescribed for payments to the date paid.

- Penalty– Late-filing of balance due return**

The law imposes substantial penalties for failure to file a timely return. Late-filed returns resulting in a balance due are subject to a penalty of 5% per month up to a maximum of 50% of the balance due.

- Penalty- Negligence/fraud/substantial understatement**

The law also provides severe penalties for a false or fraudulent return, or for making a false certification. The mere fact that the figures you report on your Delaware return are taken from your federal return will not relieve you from the imposition of penalties for negligence or for filing a false or fraudulent return.

- Penalty- Failure to pay**

The law provides a penalty of ½% per month (not to exceed 25%) of the net tax liabilities for failure to pay the tax liability due on a timely filed or late filed return. This penalty is in addition to the interest charged for late payment.

- Penalty- Failure to File/Pay Estimated Taxes**

The law provides a penalty of 1½% per month of the computed tax payment for failure to file/pay estimated taxes due. This penalty is in addition to those penalties and interest listed above. The penalty is also assessed if the estimated payment is filed late.

Determining Delaware Income

Definition of “Delaware Source” Income

A non-resident individual's items of income, gain, loss and deduction derived from or connected with Delaware sources are the items attributable to:

- Wages, salaries and other compensation (other than from pensions) received as an employee for personal services rendered, or attributable to employment, in Delaware. If, in connection with your Delaware employment, you are required to render services outside Delaware, such income may be excluded, but you must complete Schedule W and attach it to your return. Copies of this form are available from the Division of Revenue and on our website.
- Interest, dividends, pension(s) or unemployment compensation (unless from a trade or business carried on in Delaware) are not considered Delaware Source Income. For example, interest paid from accounts in a Delaware bank during the period of non-residency are not considered Delaware Source Income and should not be included in Column 2 on the back of the form.
- A business, trade, profession, vocation or occupation conducted in Delaware.
- The ownership or disposition of any interest in real or tangible personal property in Delaware.
- Intangible personal property of a non-resident individual, including annuities, dividends, interest, gain and loss from the disposition of intangible personal property, to the extent attributable to property employed in a business, trade, profession, vocation or occupation carried on in Delaware.
- Capital gains, capital losses and net operating losses, including the distributive share of income from partnerships, S Corporations, estates, or trusts, to the extent they are derived from or connected with sources in Delaware.

Next, complete the back of this form, beginning with Line 1. Once the back is completed, return to the front and follow the instructions for “Front of Form” on page 8.

BACK OF FORM 200-02

Column 1 – Federal

This column should reflect the entries you have made on the appropriate lines of your federal return as if you were a full-year resident of Delaware. List all items of income, adjustment, and modification irrespective of the state from which the

items were derived. If Filing Status 3, use only your income.

Column 2 – Delaware Source Income and/or Loss

List all amounts of income, gain, loss, or adjustment from Delaware sources. Part-year residents must also include all such income from **any source** during the time of Delaware residency. See the definition of “Delaware Source” Income on page 4.

Rounding Off Dollars

Dollar amounts on your return must be rounded off to the nearest whole dollar. This means that amounts from 50 to 99 cents are increased to the next dollar. For example, \$1.50 becomes \$2.00 and \$1.49 becomes \$1.00.

Line-By-Line Instructions

1-14 List all items of income or loss from your federal return in Column 1. In Column 2, enter the amounts of income, gain, loss and adjustment from Delaware sources (See the definition of “Delaware Source” Income on page 4).

NOTE: Line 6 – Business Income (or Loss)

If you have business income or loss from sources within Delaware and at least one other State, you must either (1) attribute all positive income to Delaware; or (2) determine Delaware source income or loss on Form 800, available from the Division of Revenue or our website.

16 Adjustments to Income

Enter in Column 1, the total amount of the adjustments from your Federal Form 1040, Line 32 or Federal 1040A, Line 18.

Enter in Column 2, the amount of federal adjustments allowable as Delaware source

adjustments (related to Delaware source income).

EXCEPTION:

Alimony Payments – Delaware Source Share of Federal Adjustments

The portion of Federal adjustment for payment of alimony is limited by the proration of Total Delaware Source Income to Total Federal Income. To determine the proration decimal of your Delaware source income to your Federal income, divide the amount from Line 15, Column 2 by the amount from Line 15, Column 1. Carry out the computation to four decimal places, rounding off to the fourth position. Then, enter the amount of Total Federal Adjustments for alimony and multiply by the proration decimal.

$$\frac{\text{Line 15, Col. 2}}{\text{Line 15, Col. 1}} = \frac{\quad}{\quad} = \boxed{\quad.\quad\quad\quad}$$

The proration decimal may not exceed 1.0000 or be less than zero.

$$\frac{\text{Total Federal Adjustment for Alimony}}{\quad} \times \boxed{\quad.\quad\quad\quad} = \frac{\text{Delaware Source Adjustment}}{\quad}$$

The result is the amount of allowable Delaware source adjustment for alimony. Add this amount to the total of any other Delaware sourced adjustments (other than alimony) taken on your federal return and enter the total on Line 16, Column 2.

17 Subtract Line 16 from Line 15

NOTE: The ratio used in reporting income on Lines 1 through 14 is used in determining the ratio of modifications for Lines 18 through 26. For example, a full-year non-resident would enter interest income on Line 2, Column 1 as shown on the federal return, but no interest income would be included as Delaware source income (Column 2). If a portion of this interest income is from US Obligations, that portion would be entered on Line 22, Column 1 only. Since no interest income

was reported as Delaware source income, no portion of the deduction would be considered from Delaware sources.

18 Interest on State and Local Obligations other than Delaware

Interest you received from any obligations of States other than Delaware or their political subdivisions, is taxable and must be added on Line 18. Examples of **interest that is taxable**:

- Interest received on Pennsylvania Turnpike Bonds.
- Mutual fund dividends not included on Line 15 that are attributable to interest on state or local obligations (minus those attributable to the State of Delaware and its authorities and political subdivision – provided the mutual fund reports that amount to you in writing).

19 Fiduciary Adjustments, Oil Percentage Depletion

Fiduciary Adjustments

Net additions from fiduciary adjustments arising out of income received from an estate or trust as shown on Federal Form K-1, *Beneficiary's Share of Federal Income and Deductions*, should be included on Line 19.

Oil Percentage Depletion

The law provides for the disallowance of any percentage depletion deduction allowable under federal law, to the extent it is in excess of cost depletion. Add the excess to the amount of fiduciary adjustments and enter the total on Line 19.

22 U.S. Obligations

All interest received on obligations of the United States and included on your federal tax return is **exempt** from Delaware tax and should be entered on Line 22. Failure to identify the payor on Federal Schedule B or Federal Form 1040A Parts I and II will result in the disallowance of the deduction. All interest received on obligations for which the United States is NOT the primary obligor or which are NOT guaranteed by the full faith and credit of the United States is not exempt from tax and may not be entered on Line 22. (Examples are shown in the Line 22 table on this page.)

23 Pension Exclusion

Amounts received as pensions from employers (including pension of a deceased taxpayer) may qualify for an exclusion from Delaware taxable income, subject to the limitations described below.

Retirement – Non-Pension Income

Delaware Tax Law authorizes an exclusion of up to \$12,500 from pension and eligible

NOTE: Each taxpayer may receive **ONLY ONE** exclusion, even if he or she is receiving more than one pension or other retirement distribution. A husband and wife who each receive pensions are entitled to one exclusion each.

IF YOU WERE UNDER 60 on December 31, 2000, your exclusion equals \$2,000 or the amount of your pension, whichever is less.

IF YOU WERE 60 OR OVER on December 31, 2000, your exclusion is determined as follows:

1. Amount of pension..... \$ _____
2. Amount of "eligible retirement income" (See definition below.) \$ _____
3. Total (add Lines 1 and 2)..... \$ _____
4. Enter Line 3 or \$12,500, whichever is less on Line 23.

Eligible retirement income includes dividends, capital gains, interest, net rental income from real property and qualified retirement plans (IRC Sec. 4974), such as IRA, 401(K), and Keogh plans, and government deferred compensation plans (IRC Sec. 457).

24 Delaware State Tax Refund

Delaware state tax refunds may be excluded to the extent they are included in federal adjusted gross income.

Lottery Winnings

Delaware Lottery, Power Ball, and Delaware Video Lottery winnings are not included in Delaware taxable income. Such amounts should be entered on Line 24. However, lottery winnings from States other than Delaware are taxable and cannot be entered on this line.

Gambling Losses

Wagering losses can be deducted only to the extent of wagering gains. Under some circumstances Delaware Lottery Winnings may exceed the amount of net wagering gain subject to federal tax. The amount of subtraction is therefore limited to the lesser of:

- a. The difference between the amount of net gambling winnings included in federal adjusted gross income and the amount of gambling losses allowable in determining federal itemized deductions; or
- b. The amount of gain from Delaware Lottery winnings.

Enter the lesser amount on Line 24.

25 Fiduciary Adjustment

Form K-1, *Beneficiary's Share of Income and Deductions*, should be included on Line 25.

Work Opportunity Credit

The law allows a deduction for the portion of wages paid but disallowed as a deduction for federal tax purposes by reason of claiming the work opportunity tax credit on the federal return.

That portion of the deduction for wages, which is disallowed for federal purposes, should be entered on Line 25. In order to claim this modification, you must attach Federal Form 5884.

Delaware Net Operating Loss Carryovers

Taxpayers who were prevented in previous years from carrying federal net operating losses to their Delaware returns (because of Delaware's \$30,000 limit on net operating loss carrybacks) are permitted to carry these additional losses forward on their Delaware return in years following the loss year.

26 Social Security/Railroad Retirement Benefits

Social Security and Railroad Retirement benefits are not taxable in Delaware and therefore should not be included in Delaware taxable income. Enter on Line 26 the total of the amount reported on Line 13 plus any Railroad Retirement payments included on Line 9.

Higher Education

Distributions received from qualified retirement plans (IRC Sec. 4974, including IRAs), cash or deferred arrangements (such as 401(k) plans) and government deferred compensation plans (IRC Sec. 457) may be excluded from Delaware adjusted gross income to the extent they are used in the same tax year to pay for books, tuition or fees at an institution of higher education attended by the taxpayer or by his or her dependents who have NOT attained the age of 26 by December 31, 2000, and so long as such amounts have been included in federal adjusted gross income.

29 Persons 60 or Over or Disabled

The law provides for exclusions from gross income to persons who meet certain qualifications. **Please refer to the Line 29 worksheet above to determine if you qualify.**

30A Column 2

Subtract Line 29, Column 2 from Line 28, Column 2. **Enter the total on Line 30A, Column 2 and on Line 42, Box A on the front of your return.** This is your Modified Delaware Source Income.

30B Column 1

Subtract Line 29, Column 1 from, Line 28, Column 1. **Enter the total on Line 30B, Column 1. Enter this total on Line 37 and Line 42, Box B on the front of your return.** This is your Delaware Adjusted Gross Income.

Itemized Deductions

If you elect to itemize deductions, complete Section D, Lines 31-36, to determine the amount of itemized deductions which you may claim on your Delaware return; otherwise, you may skip this section.

NOTE: If you claimed a standard deduction on your federal return, you may still elect to itemize your deductions on the Delaware return. In this case, complete and attach a Federal Schedule A showing the itemized deductions you would have claimed on the federal return.

31 Itemized Deductions from Schedule A

Enter on Line 31 the total amount of itemized deductions as shown on Line 28, Federal Form 1040 Schedule A.

If you are filing a **joint federal return and separate Delaware returns**, the deductions must be determined as if each spouse had filed separate federal returns.

If you are unable to specifically allocate deductions between spouses, prorate the

deductions based on a ratio of your separate incomes to total joint income. For example, if one spouse earns 60% of the household income and the other earns 40%, designate 60% of the deductions to the spouse earning 60% of the household income and 40% of the deductions to the spouse earning 40% of the household income.

32 Foreign Tax Paid

If you elected the Foreign Tax Credit on your federal return, your federal itemized deductions, allowed as Delaware itemized deductions, will be increased by the amount of foreign taxes actually paid. Foreign taxes accrued, but not paid, are not allowed as an addition on Line 32. On Line 32, enter the amount of foreign taxes paid included on Line 8 of Federal Form 1116. If you were not required to file Federal Form 1116, enter on Line 32 the amount of foreign tax paid.

33 Charitable Mileage Deduction

If you used your automobile to perform a voluntary service for a charitable organization, you may increase your itemized deductions as follows:

1. Miles driven 1/1/00–6/30/00: _____ x .14 = \$ _____
2. Miles driven 7/1/00–12/31/00: _____ x .17 = \$ _____
3. Total (enter this amount on Line 33.) \$ _____

34 Self-Employed Health Insurance

The law allows an itemized deduction for the health care insurance cost of a self-employed person and his/her family. The deduction is equal to 100% of the health care insurance cost paid during the year less any amount deducted on Form 1040, Line 28 on your federal return in arriving at federal adjusted gross income, limited to the amount of gross business income in excess of the federal adjustment. For self-employed health insurance deduction purposes, a self-employed person is one who derives more than one-half his or her gross income from self-employment; that is, income subject to self-employment taxes or flow through from an S Corporation or Partnership.

35a State Income Tax

Enter the amount of (1) Delaware state income taxes claimed in your federal itemized deductions plus (2) any taxes imposed and paid to another State that are included in your federal itemized deductions and claimed as a credit on Line 44 of this form. For example, if you had \$1,000 of taxes withheld in another state, but the tax liability to the other state was \$700, you should only include \$700 on Line 35a, except as noted.

Exception: If your level of adjusted gross income caused a reduction (limitation) of your federal itemized deductions, only enter on Line 35a the percentage of state income tax that was included in your federal itemized deductions which represents the same ratio as allowable federal itemized deductions is to total itemized deductions before the reduction. For example, if total state income taxes are \$500 and total federal itemized deductions are \$10,000 but are limited to \$9,000 due to the federal reduction rules (90% of your itemized deductions were allowed), you need enter only \$450 (90%) of the state taxes on Line 35a.

NOTE: Local taxes included in your federal itemized deductions should not be included on Line 35a. Also, state taxes paid to another state for which you will not claim a credit on Line 44 of your Delaware return should not be included on Line 35a.

35b Charitable Contributions – Form 700 Tax Credits.

Enter the amount of the charitable contribution claimed in your federal itemized deductions for permanent gifts of land, or interest in land, to public agencies and qualified private non-profit charitable organizations and any investment in Neighborhood Assistance for which you claimed a tax credit from Form 700 on Line 45 of your Delaware Return.

36 Total Itemized Deductions

Subtract Line 35a and 35b from Line 34a and enter the results here and on Line 38 of your Delaware return. **Make sure you have checked the block “b” on Line 38 to indicate that you are electing to itemize your deductions.**

Always compare the results of Line 38 to the standard deduction; you may benefit from using the standard deduction and from allowable additional standard deductions.

Section E Direct Deposit of Refund

Complete Section E if you want us to directly deposit the amount shown on line 58 into your bank account.

Why Use Direct Deposit?

- You get your refund fast – even faster if you file through the Internet.
- Payment is more secure – there is no check to get lost.
- More convenient. No trip to the bank to deposit your check.

You can check with your financial institution to make sure your deposit will be accepted and to get the correct routing and account numbers.

Line a – Routing Number

The routing number **must** be **nine** digits. The first two digits must be 01 through 12 or 21 through 32. Otherwise, the direct deposit will be rejected and a check sent instead. On the sample check below, the routing number is 031100000.

Your check may state that it is payable through a bank different from the financial institution at which you have your checking account. If so, do not use the routing number on that check. Instead, contact your financial institution for the correct routing number to enter on this line.

Line b – Type

Please check the type of account: checking or savings.

Line c – Account Number

The account number can be up to 17 characters (both numbers and letters). Include hyphens but omit spaces and special symbols. Enter the number from left to right and leave any unused boxes blank. On the sample check below, the account number is 12340818. Be sure not to include the check number.

NOTE: Some financial institutions will not allow a joint refund to be deposited into an individual account. The Delaware Division of Revenue is not responsible if a financial institution refuses a direct deposit.

Attach the preprinted label provided with your booklet or postcard to the front of the form in the space provided *if your name, address and social security number has not changed since last year*. NOTE: To protect your privacy, the number on your label is not your Social Security Number.

If your name, address, Social Security Number or marital/filing status changed since last year, DO NOT use the mailing label. In this case, or in the event you did not receive a booklet or postcard, print your name(s), address, and Social Security Number(s) in the space provided. If you are married, give names and Social Security Numbers for both you and your spouse whether you file joint or separate returns.

Filing Status

Please indicate your filing status by marking the appropriate box.

FILING STATUS 1 – SINGLE TAXPAYER

If you were single on December 31, 2000, consider yourself single for the whole year and use Filing Status 1.

FILING STATUS 2 AND 3 – MARRIED TAXPAYERS

You may file Joint or Separate Delaware returns even if you filed Joint federal returns. However, if you filed Separate federal returns, you must file separate Delaware returns.

NOTE: Generally, separate returns will be advantageous if both spouses have a Delaware adjusted gross income in excess of \$9,400.

If you elect to use Filing Status 3, both you and your spouse must figure your tax the same way.

This means if one itemizes deductions, the other must itemize. If one takes the standard deduction, the other must take the standard deduction in computing taxable income.

You each report only your own income, personal credits, deductions, and one half of the income derived from securities, bank

Page 8

accounts, real estate, etc., which are titled or registered in joint names.

FILING STATUS 5 – HEAD OF HOUSEHOLD

If you filed as Head of Household on your federal return or qualify as certain married persons living apart, you may file as Head of Household on your Delaware return.

FULL-YEAR NON-RESIDENTS

If you were a full-year non-resident of Delaware for 2000, be sure to check the box indicating full-year non-residency. If you are a part-year resident of Delaware electing to file as a full-year non-resident **do not** check this box.

2210 Indicator

Please check the "Form DE2210 Attached" box if you have calculated the Underpayment of Estimated taxes using Form DE2210. Use Form DE2210 to determine if you owe a penalty for the underpayment of estimated tax and to calculate the amount of the penalty. Because Form DE2210 is complicated, we recommend that you allow us to calculate the penalty, and send you a bill.

To obtain Form DE2210, please contact our offices or visit the Division of Revenue web site at www.state.de.us/revenue.

PART-YEAR RESIDENTS

If you were a part-year resident of Delaware in 2000 electing to file as a full-year resident, indicate the dates of your Delaware residency.

37 Enter the amount from Page 2, Line 30B, Column 1, of your Delaware return.

38a Standard Deduction

The law allows you to take a standard deduction in lieu of itemizing your deductions. **If you elect to take the Delaware STANDARD DEDUCTION, be sure to check block "a" on Line 38a and enter the appropriate amount as listed below:**

Delaware Filing Status	Standard Deduction
1	\$3,250
2	\$6,500
3	\$3,250
5	\$3,250

NOTE: If you have itemized deductions greater than your allowable Delaware standard deduction, you can itemize deductions on your Delaware return even if you did not itemize deductions on your federal return.

NOTE: If one spouse takes the standard deduction, the other spouse must also take the standard deduction. **Be sure to check box "a" on Line 38a to indicate you are using the standard deduction.**

38b Itemized Deductions

If you elect to itemize deductions:

- Check block "b" on Line 38b.
- Complete Section D, Lines 31 through 36 on the back of your Delaware return.
- Enter the amount from Line 36 on Line 38.
- Attach a copy of Federal Form 1040 Schedule A to your Delaware return.

NOTE: If you claimed a standard deduction on your federal return, you may still elect to itemize your deductions on the Delaware return. In this case, complete and attach Federal Schedule A showing the itemized deductions you would have claimed on the federal return.

39 Additional Standard Deduction

The additional standard deduction is allowable only for those persons 65 or over and/or blind electing to use the Delaware standard deduction on Line 38.

NOTE: If you elect to itemize your deductions, you do not qualify for the additional standard deduction even though you may be 65 years of age or older and/or blind. If you itemize deductions, do not check the "65 or over" box.

If you qualify for the additional standard deduction:

- Be sure you checked the block on Line 38a to indicate you are using the standard deduction.
- Check the appropriate box(es) relating to age and/or blindness on Line 39.
- Multiply the number of boxes checked on Line 39 by \$2,500 and determine the total (a maximum of \$5,000 per individual).

42 Proration Decimal

Enter the amount from Line 30A in Box A on Line 42. Enter the amount from Line 30B in Box B on Line 42.

Example:

A	=	Line 30A	=	5,000	00
B	=	Line 30B	=	12,000	00

To determine the proration decimal, divide the amount from Line 30A by the amount from Line 30B. Carry out the computation to four decimal places, rounding off the fourth position.

$$\frac{A}{B} = \frac{5,000.00}{12,000.00} = 0.4167$$

The 0.41666 rounded off equals 0.4167. The proration decimal may not exceed 1.0000 or be less than zero.

If Line 41 (taxable income) is less than \$60,000, use the tax table to compute your tax. If Line 41 is \$60,000 or greater, use the tax rate schedule to compute your tax. Enter the amount of tax in the box provided on Line 42 and multiply this amount by your proration decimal.

Enter the result on Line 42. This is your prorated tax liability.

43a Personal Credits

You are allowed a credit of \$110 for each exemption claimed on your federal return. Enter on Line 43a, the total number of exemptions claimed on your federal return in the space provided. Multiply this number of credits by \$110. If you filed a federal EZ or telefile return, enter \$110 if you are single and \$220 if you filed the federal return as a married couple filing jointly. If you were not required to file a federal return, enter \$110 for each spouse reporting income on this form plus \$110 for each person who could have been claimed as a personal exemption had you been required to file a federal return. Multiply this amount by your proration decimal from Line 42. Enter the result on Line 43a.

NOTE: You are not entitled to a Delaware Personal Credit if you are claimed as a dependent on another individual's Federal return. Enter "0" in the space provided on Line 43a.

43b Additional Personal Credits

Check the appropriate box(es) on Line 43b if you and/or your spouse were 60 years of age or over on December 31, 2000. Multiply the number of boxes checked by \$110. Multiply this amount by your proration decimal from Line 42. Enter the result on Line 43b.

44 Other State Tax Credit Part-Year Residents Only

Part-year residents who paid income taxes to another State on income which was earned in the other State while a resident of Delaware, and which is also included in the Delaware modified source income, may be allowed to claim a tax credit against their Delaware tax liability. (Do not include city wage taxes or county taxes that may be payable with your other State return.) (See Worksheet, on this page.) With regard to any credit claimed for taxes paid to another state, the credit is limited to the smallest of the following:

- a. The Delaware tax liability;
- b. The tax liability due and paid to the other states (not including amounts paid on your state return to local

jurisdictions). The amount due and paid means the amount shown as liability on the 2000 other State return and not the amount on your W-2; or

- c. The amount computed by multiplying the Delaware tax by a fraction, the numerator of which is your adjusted gross income derived from sources in the other state, and the denominator of which is your Delaware Adjusted Gross Income (Line 37).

NOTE: Taxes paid to the political subdivision of a state cannot be claimed as credit. The District of Columbia, however, is classified as a "State" for the purposes of this credit and therefore, can be claimed as credit on Line 44.

If you claim the tax credit, you must attach to your return a signed copy of the income tax return filed with the other State(s).

45 Non-Refundable Credits

Enter on Line 45 the total of the following credit(s) to which you are entitled:

Any taxpayer claiming any of the following credits should complete Form 700 (available from the Division of Revenue and on our website) and submit it with their Delaware return.

Only those taxpayers whose eligibility is certified by the Department of Natural Resources and Environmental Control may claim this credit.

SPECIAL FUNDS

DELAWARE'S NONGAME WILDLIFE, ENDANGERED SPECIES AND NATURAL AREAS PRESERVATION FUND

Wildlife is a gift that is often taken for granted. Several hundred species of mammals, birds, reptiles, insects and other animals are native to Delaware, and more than 90 percent are nongame – that is, they cannot legally be hunted or fished. Many are common and can be enjoyed as close as your own backyard. Others are in danger of disappearing from our landscape. The Nongame Wildlife Tax Checkoff enables Delaware taxpayers to donate a portion of their state income tax refund for efforts to ensure that all wildlife and the habitat they need in order to flourish will be around for years to come. Please lend your support through a tax-deductible contribution on Line 54A. Next time you spot a bald eagle or a bluebird, you'll be glad you did.

U.S. OLYMPIC COMMITTEE

Delaware athletes are among the many across the nation who are training hard to earn a spot on the U.S. Olympic Teams that will compete in the 2002 Winter Olympic Games in Salt Lake City, Utah. Your dollars now are vital to provide the proper training and encouragement so necessary to fielding the best team possible. Please show your support by checking Line 54B, U.S. Olympic Committee, with a tax-deductible donation.

EMERGENCY HOUSING ASSISTANCE FUND

Homelessness is a growing concern in Delaware. Families with children now represent the greatest proportion of the homeless. Crisis situations such as unemployment, family conflicts, displacements, evictions, fire, or utility failures force people to turn to the community for emergency housing. Delaware's non-profits need your support to close the gap between available resources and increasing costs of operating programs for the homeless.

You can help by checking Line 54C, the Emergency Housing Assistance Fund and contributing a portion of your refund or by sending a donation along with your tax liability payment. Your contributions will be distributed by Delaware's Health and Social Services Division of State Service Centers/Office of Community Services, directly to shelters providing emergency housing.

CHILDREN'S TRUST FUND

The Delaware Children's Trust Fund has as its mission the prevention of child abuse and neglect in Delaware. It accomplishes this through public awareness campaigns, technical assistance to child abuse prevention projects and an annual Prevention Grant program. Prevention projects focus on many issues that are designed to help children and families avoid instances of abuse before they can occur and change a life forever. All donations from the tax checkoff go directly to the annual Prevention Grant program, which funds child abuse prevention projects, in the three counties of Delaware. By checking Line 54D, child abuse prevention projects are making Delaware a safer place for your children.

DELAWARE BREAST CANCER COALITION, INC.

The Delaware Breast Cancer Coalition, Inc. was established in 1991 to raise awareness of breast cancer by providing information, support and education in a caring and responsive manner on early detection and treatment. As a state wide agency we accomplish this through: an interactive touring exhibit of cancer survivors entitled **Living and Giving**; education and outreach programs such as **Young Survivors in Action**; and an annual panel symposium featuring leading experts in the fields of ethics, cancer research and treatment. By checking Line 54E, a portion of your tax refund will work to reduce the rate of breast cancer in Delaware.

ORGAN AND TISSUE DONATION AWARENESS TRUST FUND

As a Delaware taxpayer, YOU can make a difference. Your contribution to the Organ and Tissue Donor Awareness Trust Fund will be used to fund donation awareness programs throughout the State of Delaware. By increasing awareness, we can increase the number of organ and tissue donors and help save lives. By checking Line 54F, you can help.

DELAWARE DIABETES EDUCATION FUND

The American Diabetes Association is the nation's leading nonprofit health organization providing diabetes research, information and advocacy. Diabetes is a serious disease that affects 16 million Americans, and is the most expensive disease in America. The mission of the American Diabetes Association is to prevent and cure diabetes and to improve the lives of all those affected by diabetes. To fulfill this mission, the American Diabetes Association provides various programs including diabetes education, camp scholarships for children, health fairs, and other diabetes outreach activities. You can help the more than 66,000 Delawareans with diabetes by checking Line 54G.
